Reliance Letter
Report of Geotechnical Engineering Services dated September 25, 2020
1601 East Yesler Way Site
1601 East Yesler Way
Seattle, Washington
Project: ShelterH-4-02

Africatown Community Land Trust, and its officers, directors, subsidiaries, affiliates, successors, and assigns (the Bank or Lender), may rely on the contents of the subject Reports (the Report) as prepared by GeoDesign, Inc., DBA NV5 (GeoDesign) to the extent of GeoDesign's scope of services described in the above-captioned project. This reliance does not apply to conditions subsequent to the date of performance referenced in the Report.

GeoDesign performed its work in accordance with the project terms and conditions with its client, Shelter Holdings, LLC, 11624 SE 5th Street, Suite 210, Bellevue, WA 98005. All reliance of GeoDesign's Report shall be subject to the original limitations, qualifications, terms and conditions contained in the Report and in any contracts, amendments, work orders, and change orders in connection with the above-captioned project.

No other third party, or unintended party, may rely on the Report and is not afforded the status of a third party beneficiary unless expressly agreed to in writing by GeoDesign.
